Tunak Bhangra

Search

Page theme default light dark

An eccentric Mahakaman dwarf who at some point of his life assumed the fake identity of **Tunak Bhangra of Melukka** was the propertior of The Iron Beard, an inn in one of Koviri towns. Anyone who knew him was aware that his beyond the seas ancestry was completely made-up, but no one asked too many questions as it always tended to end with Tunak spending next hours on storytelling of his imaginary past.
